**HOW WE SHIP:** Any item, the length and girth of which measures under 100 inches will be shipped by parcel post free of charge. This does not include B & B or container-grown stock which will be shipped by express collect or motor freight collect, whichever you prefer.

## STUART'S GUARANTEE

We guarantee all stock to be true to name, up to standard, disease-free and to reach you in good, live condition. If not satisfactory upon arrival, just return to us at once, collect for refund or replacement.

Plants that do not live through the first growing season may be replaced at half-price the following shipping season.

We give no warranty, express or implied, as to growth or productiveness.

Prices are for cash with order, and all stock offered is subject to prior sale.

This price list is our latest and discontinues previous prices.
